

Health Week. Being that New Mexico is a border State, I have great interest in honoring the citizens of my State who live and work near the border.

Border Binational Health Week, which is celebrated this week, is a way for border States to promote sustainable partnerships to help address border health issues. This year's theme is "Families in Action for Health," which is an effort to make sure all people are healthy, and families working together can make sure that happens. Border States have a unique set of concerns citizens elsewhere may not experience. By recognizing Border Binational Health Week, we can begin a dialogue on these issues, between countries.

Several events are being held around the State to raise awareness. The events include a Red Ribbon Rally Parade and Health Fair in Sunland Park; a Family Health Fair in Las Cruces; a Health Disparities Forum in Silver City; a 1½ mile Walk out West in Alamogordo; and a Youth Promotora Training and Educational Workshop in Animas and Lordsburg. Each of these activities help promote healthy living in border States, and especially border communities.

It is my hope that border health will be discussed not only during this week but all year long.●

#### RECOGNIZING CANYON ROAD

● Mr. DOMENICI. Mr. President, I wish to recognize the city of Santa Fe and their award for one of 2007's Great Streets. Canyon Road was showcased by the American Planning Association as being one of the top 10 streets in the country.

Canyon Road is unique in that it combines elements of commercial and residential living in a way that makes guests want to visit this street time and again. It is the heart of the residential arts and crafts district, and many artists sell their work on this street. Canyon Road is loaded with art galleries that draw crowds of art connoisseurs and simple lovers of art. Art is a huge part of the culture in Santa Fe, and Canyon Road epitomizes that culture. This street is enjoyed by locals and tourists alike.

It is great to see Santa Fe recognized along with cities like New York City and St. Louis. Canyon Road was listed alongside other famous roads, such as North Michigan Avenue in Chicago and Ocean Drive in Miami. It is great to see the character and distinctiveness of my State represented on lists such as these. The American Planning Association has only solidified what New Mexicans already know, that this street is a place all should enjoy. I invite all of you to visit New Mexico and go take a leisurely stroll down the legendary Canyon Road. ●

#### HONORING MARNEE'S COOKIES

● Ms. SNOWE. Mr. President, today I recognize Marnee's Cookies, a growing

small business from my home State of Maine that recently opened its first retail store in Bath, ME. Marnee's Cookies, a premier gourmet cookie company, held the grand opening of Marnee's Cookie Bistro on September 28 to great fanfare. Originally operated out of owner Marnee Robinson's kitchen, the business is now based out of a 4,000 square-foot facility in downtown Bath, which serves as both a cookie factory and retail store.

Baking from an early age, Ms. Robinson has developed and refined the quintessential cookie by combining the arts of baking and design. For years, family and friends have enjoyed her two signature cookies—Nirvana and Serendipity—that became the genesis and impetus for her business. In 2005, Ms. Robinson's entrepreneurial dream became a reality when Marnee's Cookies was founded, offering 13 types of gourmet cookies. Originally begun as a home-based Internet company run solely by Ms. Robinson, the demand for her product quickly expanded into a booming business with loyal customers around the world, from Maine to California, and Paris to India. In fact, Internet orders were so strong that Ms. Robinson was working 18-hour days to ship cookies worldwide. As a result, her growing business needed a facility to accommodate the increasing demand.

The expansion of Marnee's Cookies was made possible by a \$150,000 community development block grant. These grants are awarded to small businesses that will, in turn, contribute to economic development and job creation. The city of Bath saw great potential in Ms. Robinson's business plan and applied for the grant on her behalf. I am confident the grant will be beneficial to Marnee's Cookies, enabling it to further expand its reach and create additional jobs and opportunities for Bath's residents.

Marnee's Cookies is also to be commended for its active involvement in local community and charity events. Cookies are regularly donated to local events and nonprofit organizations ranging from the Bath Soup Kitchen to St. Jude Children's Research Hospital. Additionally, Marnee's Cookies holds an annual charity event on December 4—National Cookie Day—with a portion of all holiday orders donated to a local charity. These gracious acts of philanthropy cannot go unnoticed and are a shining example of a small business going above and beyond to serve the local community.

Marnee's Cookies is truly a success story and a bright example of what small businesses can accomplish with measured expansion and consistent determination. I congratulate Marnee Robinson for her entrepreneurial spirit and for being an exceptional role model for Maine and the Nation. We at the Senate wish Marnee's Cookies all the best for many more successful years to come.●

#### RECOGNIZING THE SALVATION ARMY

● Mr. THUNE. Mr. President, today I wish to recognize the Rapid City Chapter of the Salvation Army as they celebrate 100 years of dedicated service to the local community.

For the last century, the Salvation Army of Rapid City has stood ready to assist South Dakotans of all ages through a variety of services including disaster relief, food and nutrition services, family counseling, health services, and many others. They own and operate the Black Hills Salvation Army Camp and the Rapid City Salvation Army Thrift Store. This "church with its sleeves rolled up" serves as a shining example of an organization that is meeting the needs of South Dakota's citizens both physically and spiritually.

The Salvation Army would not be able to perform its invaluable mission without the hard work and dedication of the many volunteers and officers who have put in countless hours serving the needs of others. These compassionate individuals are truly the backbone of the Rapid City community and I hope that their service will inspire others to lend a helping hand.

It gives me great pleasure to rise with the State of South Dakota in congratulating the Salvation Army of Rapid City on this important anniversary and wish them continued success in the years to come.●
